US FOREST SERVICE EXTENDS REC SITE CLOSURES THRU MAY 15 The U.S. Forest Service announced that most of its developed recreation sites in California, including those in the Sierra National Forest in eastern Madera County, will remain closed through May 15. The order does not close trails, trailheads and general forest areas; these areas remain accessible for public use. Information on individual recreation sites and opportunities are available from local national forests.

DRIVE-THRU CHURCH SERVICES
 Adapting to changing times spurred by the COVID-19 pandemic, many mountain community churches are offering creative alternatives to conventional prayer services. For Christ Church Anglican in Oakhurst, that has meant live-streaming "virtual" services on their Facebook followed by "drive-thru" communion. Madera County eased certain social distancing restrictions last week to accommodate the faith community.

YHS Cross Country Team Hosting 'Virtual Race' This is a virtual run/walk that participants can do at home — or anywhere in the world — any time they like until May 24. To participate, just call Kim Lawhon to sign up then give proof of your best run or walk between May 3 and May 24.

"Is it proper for a man to profit from the mistakes of another?" a parishioner asked his minister. "Definitely not," was the preacher's answer. "Are you absolutely certain?" "Yes, my son, absolutely." "Okay. In that case, I wonder if you'd mind returning that \$25 I gave you after my wedding last year?"

DID YOU KNOW? Most banana travels 4,000 miles before being eaten.

When my grandson asked me how old I was, I teasingly replied, "I'm not sure." "Look in your underwear, Grandpa", he advised. "Mine says I'm 4 to 6."

THOUGHT FOR THE DAY Most people walk in and out of your life but friends leave footprints on your heart.

A man rubbed a bottle and a genie came out, "OK," the genie said, "What's your wish?" The man said, "I want all ladies to love me", and he turned into a bar of chocolate.

ADORABLE ADOPTABLES

I am Izabel, Izzy for short! I am an adorable little Labrador Retriever who needs a new home. I am not even a year old, and because my family is moving to a smaller house and there will be no room for me. I want a family that is active like me, kids would be great! My current family has really not had time for me but I am smart and really want to learn. Looking for a pup with a sweet personality? That's me!

A 6 year old was asked where his grandma lived. "Oh," he said, "She lives at the airport and when we want her we just go get her. When we're done having her visit, we take her back to the airport."

Taxiing down the tarmac, the jetliner abruptly stopped, turned around and returned to the gate. After an hour-long wait, it finally took off. A concerned passenger asked the flight attendant, "What was the problem?" "The pilot was bothered by a noise he heard in the engine," explained the Flight Attendant, "and it took us a while to find a new pilot."

"Honey," said this husband to his wife, "I invited a friend home for supper." "What? Are you crazy? The house is a mess, I didn't go shopping, all the dishes are dirty, and I don't feel like cooking fancy meal!" "I know all that." "Then why did you invite a friend for supper?" "Because the poor fool's thinking about getting married."

Little Johnny wasn't getting good marks in school. One day he surprised the teacher with an announcement. He tapped her on the shoulder and said, "I don't want to scare you, but my daddy says if I don't start getting better grades, somebody is going to get a spanking!"

Teacher: "If I gave you 2 cats and another 2 cats and another 2, how many would you have?" Johnny: "Seven." Teacher: "No, listen carefully... If I gave you two cats, and another two cats and another two, how many would you have?" Johnny: "Seven." Teacher: "Let me put it to you differently. If I gave you two apples, and another two apples and another two, how many would you have?" Johnny: "Six." Teacher: "Good. Now if I gave you two cats, and another two cats and another two, how many would you have?" Johnny: "Seven!" Teacher: "Johnny, where in the heck do you get seven from?!" Johnny: "Because I've already got a cat!"
